

Obama and “The enemies of the Cross of Christ”

By Bobby Blanton

The inauguration of Obama in 2008 was the beginning of the end of the United States. President Obama is a wolf in sheep's clothing—the fox in the hen house, and he has ushered in the end of days and the ultimate destruction of America.

His track record is the most anti-Bible record of any president in our history. He is the most pro-gay, pro-abortion president in American history.

He has, from the very beginning, declared openly for all to see his love for Islam, his hatred for Israel and the Jewish people, his hatred for Christianity and his desire and effort to erase any and all roots of Godliness this nation has. He is an Obamanation and has single handedly brought America to a tipping point!

And as the United States continues to lead and pressure Israel to divide her land, we have become an enemy of the “apple of God's eye.” He will one day soon execute final judgment against all enemies, and completely destroy those nations.

“...there will I deal with and execute judgment upon them for their treatment of My people and of My heritage Israel, whom they have scattered among the nations and because they have divided My land” (Joel 3:2).

Obama's “Hope and Change” have become “Death and Destruction.” A lot of innocent people, a lot of Christian people are dying because of this man's decisions. His foreign policies have set the entire Middle East on fire and earlier this week Sheriff Clark from Wisconsin stated, “Obama has set the whole country on fire with his race politics.”

Folk's this president is an enemy of America and of the Cross.

Look at the terrible plight and frequency of Islamic terrorism and mass killings that have come upon so many cities recently... Paris, Brussels, San Bernardino, Orlando, Nice and now Germany.

Look at the increase of lawlessness and wickedness that has led to the ambush and murder of police officers in Dallas, Baton Rouge and Kansas City. There is hardly a reprieve between mass shootings these days. Something very sinister and evil is happening in this nation and around the world.

And now we have Hillary Clinton waiting in the wings, as she seeks the office of president of the United States. Dr. Ben Carson at the GOP convention this past week, stated, “Are we willing to elect someone as president who has as her role model someone who acknowledges Lucifer?”

He is spot on and I can't think of a human being that fits that description more completely than Hillary Clinton. The picture couldn't be more clear. She, too, is an enemy of America and of the Cross!

For eight years, Obama, his agenda, and Hillary Clinton have enjoyed the support of a large number of American households. As I said in a recent message to fellow believers, “Barack Hussein Obama is God’s judgment on America for our sins, and it is a judgment from which I don’t think we shall recover.”

Let me be very clear, if you support Hillary or Obama—or anything that the Democratic party supports; then you, too, are an enemy of God and

are hereby warned:

“For I have told you often before, and I say it again with tears in my eyes, that there are many whose conduct shows they are really enemies of the cross of Christ” (Philippians 3:18).

You have only one hope and I implore you, don’t put it off...

“Repent, and turn to God, so that your sins may be wiped out, that times of refreshing may come from the Lord” (Acts 3:19).

The alarm bells are all going off and when we wake up and realize that “This is the last hour,” it should sober us up and prompt us to “Pray that you may be able to escape all that is about to happen.”

These prophetic Scriptures and the frequency and intensity of end-time birth pangs are undeniable. They have a storyline: Jesus is coming soon!

Will God give America one last chance?

Only He knows but what I do know is that the hour is late. Our presidential election on November 8 is right around the corner.

Please choose carefully!

Until He Comes,

Bobby
