

# **THE ENDURANCE PROPHECY**

## **First Meeting at The Prayer Center**

**March 2, 1989**

When you have done all you know to do to stand, stand, therefore, saith the Spirit of Grace. For truly, I desire to shake this place by My Power. Take the Sword of the Spirit, which is the Word of God, with all prayer and supplication in the Spirit and, again I would say, when you have done all you know to do, then, stand...therefore!

The key word shall be ENDURANCE, saith the Spirit of Grace. For I will teach you by My power and by My Spirit how to keep building in power until your endurance will produce My desired will in this place. I will train you about the snares and the traps of the enemy, and if you will pray and make it past those hard places, I will give you divine wisdom and understanding that will at last produce power that you can say is of Me. I desire to pour My miracles out of you. I desire to shake this city and train many people before this first phase of what I want to do is through. So gird yourself up and be strong on My behalf, for I will show you some things by My Spirit that you can have for an eternity. They will last. I am giving you equipment that will work a great reward. For many of you are hungry and have desired to see these things, and I will lead you into that kind of reward. Be brave and stand strong saith the Spirit of grace.

I will work mighty, mighty miracles before this is done; you will not lose your place, and your reward shall be excitingly great. Heed what the Spirit will say, for I will begin this day with something new.

Great peace is My desire for you, that you may fellowship with Me in love and I can filter through and through your life. I desire to take you from where you are to a place with Me. It is a place you have known about way down deep in your spirit that, from the foundations of the world, I have prepared for you. As I lead you from place to place, I desire to flow through you with grace, and if you will edify and edify and edify yourself, you will see before this is through, that I will purge from you everything that is causing you to fail. You will not only taste the victory that changing circumstances can bring, but you will taste the victory of the resounding peace inside you that will dominate everything in a circumference around you.

Oh! For edification, edification, edification: higher, higher, higher in Me; that you will complete the first foundation of your life so that I may be able to move you into intercession, that you can cause those that are bound to be set free. Satan is furious, saith the Spirit of Grace. He already is mad and is stirring up the demons as a whirlwind about this place, but stand fast and edify yourself into a place with Me, and when the storm comes, you will be delivered. Oh! You will be able to deliver the power that is Of Me. So be glad for the wellsprings of life and the counsel in the heart of man. I will draw it out, for there are many matters of wisdom that I desire for you to understand. I will teach you to walk in My power. For My children, the thing between what I desire and what is now taking place is being purged every hour!

Many people come to this city for training, you see, and oh, I desire to give them full training that they may leave in My power. So know this, all of you who said, "I hunger and thirst after righteousness"; and You shall be full. I will bring you into a place with Me. Yes. I will bring you into a place with Me.
