

# Two Powerful Warnings To The U.S.A

- **God, or Devil. . .We Will Receive Him**

Dr. Paul-Henri Spaak, former secretary-general of NATO, the first president of the United Nations General Assembly and an architect of the United Nations and the New World Order said,

*"We do not want another committee, we have too many already. What we want is a man of sufficient stature to hold the allegiance of all people, and to lift us out of the economic morass into which we are sinking. Send us such a man and be he god or devil, we will receive him."*

- **Pushing to Protect LGBT Right Internationally**

**God Refused To Destroy Sodom & Gomorrah  
Until His People were Removed. . .This May Be  
God's Final Warning to America!**

12/06/11—Hillary Clinton just pronounced sodomy as natural in that people are born that way and cannot help it. This is nonsense as the Bible shows that all forms of sexual perversion is sin, and through the gospel of Jesus Christ, a person can be set free of this sin, including sodomy. This goes along with her State Department pushing and protecting Islam throughout the world. The two main issues with the US State Department are sodomy and Islam. Can it get any worse than this? The United States of America is now a reprobate nation before the Holy God of Israel. What awaits a nation like this is a devastating judgment to stop it. America is now like a malignant tumor spreading throughout the world. The fall was so fast that it makes my head spin.—*John McTernan*
