

# Obama Leads America to Destruction

By Pastor Mike Taylor

2/10/15

2:3 “And hereby we do know that we know him, if we keep his commandments.

2:4 He that saith, I know him, and keepeth not his commandments, is a liar, and the truth is not in him.

2:5 But whoso keepeth his word, in him verily is the love of God perfected: hereby know we that we are in him.” 1st John 2:3-6

Let us continue in the theme that I raised in my last message, “The year of the Shemitah warns Economic Collapse” and discuss an outrage that continues in the political landscape of this present administration.

Are you amazed at the news stories this week, after Obama compared Christianity to ISIS? Why do you think he finds a way to give Islam a pass, or justify the actions of a terrorist group that has one aim, but to take over the world and promote Sharia Law? Isaiah:

20 “Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

21 Woe unto them that are wise in their own eyes, and prudent in their own sight!”

It was hard to watch or even listen to this usurper in chief before this latest attack on Christianity, but I can’t stand to listen to his words, since he spoke of only what he believes, he gives himself away. Before this, Obama watched what he said concerning Christianity, as he said he was a “born again Christian”.

But now that he doesn’t have to worry about what people think, (as he isn’t going to run for re-election), the real BO is now stepping out of his closet.

Although, what Obama referenced about the Spanish Inquisition and the Crusades are correct that they did happen, as evil men used religion to further their political or religious bigotry against people that couldn’t protect themselves, namely the Jewish people. But what does something that happened in medieval Europe have to do with modern Christianity? My answer, is they have nothing to do with one another, except to give Islam a pass by a narcissistic man that proclaims, “we shouldn’t get on our high horse and say this is in another country” He even brought up Jim Crow and slavery being done in the name of Christ...this man who happens to reside in the oval office of OUR White House, as it belongs to every man and woman who pays taxes, works for us and should reflect our values. But the sad state of affairs, with the changing culture of this nation, maybe he does reflect our values and that’s a frightening thought that we have fallen that far.

I recall a quote by a local preacher that made the statement “Jesus is the Prince of Peace. When has the same label been given to Mohammed?”. Amen to that one. Jesus was the Son of God, and Mohammed was a lawless pedophile, who raped and pillaged across the Middle East in the name of his false god, the moon god, Allah. How can anyone, especially the POTUS compare light with darkness, sweet against bitter, and call evil good, and good evil...His name is Barack Obama. Let his own record convict him. Let’s not even consider what he did before he came into the highest office in our land surrounded by radicals, communist, and domestic terrorist, but let us look

what he has championed since he became “usurper in chief” and where he has led the United States down a path of sure destruction. Of course, I can’t lay all the blame on one man and his reprobate administration, as half of America voted for what they have become themselves, reprobate and devoid of righteousness in their rejection of God, and His Son, Jesus Christ as the true leader of this country. But let’s just list the most damning of his domestic policies.

### **CHAMPION OF ABORTION MURDER**

I opened this message by quoting 1st John on those who are Christian keep God’s commandments. Those who do not are liars. One of the commandments is “thou shalt not kill”. Obama has been on the side of Pro-choice or the national legalization of murder within the womb or for that matter, outside the womb of any poor child that is not wanted or loved. I’ve often wondered how a doctor feels when he ends the life of a new-born baby, by stabbing him in the back of the neck and severing its spinal cord, or sucking out their brains in or out of the birth canal. And how can a nurse sleep at night who witnesses this blight on humanity? Mr. Obama could be a champion of life, since he states he is a Christian. Yeah, and the Pope is not Catholic either. Jesus had a condemnation of anyone who hurts a child, both in the Old Testament and in the New Testament.

Matthew 18:5 “And whoso shall receive one such little child in my name receiveth me.

18:6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.”

These little ones are a gift from God and belong to Him, until they understand good from evil. To sacrifice them on the altar of inconvenience, is the same as ancient people sacrificing their children in the fires of pagan gods.

Ezekiel 23:37 “That they have committed adultery, and blood is in their hands, and with their idols have they committed adultery, and have also caused their sons, whom they bare unto me, to pass for them through the fire, to devour them.”

And in Jeremiah, God condemned them for such acts:

7:31 And they have built the high places of Tophet, which is in the valley of the son of Hinnom, to burn their sons and their daughters in the fire; which I commanded them not, neither came it into my heart.

7:32 Therefore, behold, the days come, saith the LORD, that it shall no more be called Tophet, nor the valley of the son of Hinnom, but the valley of slaughter: for they shall bury in Tophet, till there be no place.

God dealt most harshly with these people and destroyed their nation because of their idolatry and murder of their own children. Are we not doing the same thing with the moral tone of this country being led by the one who leads this country, Barack Obama?

God will destroy those who destroy their children such as this land has, and a day of reckoning is coming, my friend and those who lead the nation, will bear a greater responsibility, for they could have stopped it.

Even as a senator and now as president, this man has been a champion of abortion rights. God will judge all those who commit such acts without repentance. We are being led by our leaders to certain judgment if for no other reason, but the murder of 60 million babies and counting.

### **CHAMPION OF THE HOMOSEXUAL, LESBIAN LIFESTYLE**

Another commandment that was made by God deals with the homosexual aberrant behavior. Leviticus chapter 18,

18:22 You shall not lie with a male as with a woman. It is an abomination.

This president has promoted anything and everything that diminishes the building block of this country, and that is the family of one man and one woman bearing children together. He prevented enforcement of DOMA

illegally, (Defense of Marriage Act) and has done everything in his executive power to further the degradation of the family by promoting the legalization of same marriage of homosexual men, and lesbian women. He has come out of his closet and has revealed who he really is, since he doesn't have to worry about re-election (Thank the Lord), but if he comes out of the closet and reveals he is actually a homosexual, then I'm going to throw up, but it would explain a few things. Obama denies the clear passages in the bible that condemns homosexuality, as "antiquated" passages that are irrelevant in the 21st century. Oh, really, you mean like this one you choose to discard from your vocabulary?

Romans 1:24 "Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:

1:25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

1:26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:

1:27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet."

And Paul when he identified those who will NOT enter into the Kingdom of God, but be cast out of His presence into the Lake of fire. .

### **1st Corinthians:**

6:9 Or know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with men,.... (homosexuals, lesbians, or any sexual deviate)"

God condemns in no uncertain terms that these acts are an abomination to the Almighty and will be judged unless you repent and depart from such acts. Those who promote such a lifestyle, I believe will be most severely judged as well. But problem is, we hear that Obama has had homosexual relations during his years in Jeremiah Wright's "church" before he was running for president, so it figures and he will be judged.

For Obama to say that he is a Christian is to make a mockery of what Jesus Christ lived and died to save us from. But what does it say about those who allow these behaviors to continue?

### **JUDGE NOT, LEST YE BE JUDGED?**

Am I being too hard and judgmental on the leader of the free world? Deterrents from such speaking of the truth love to quote the verses in Matthew, when Jesus spoke:

7:1 Judge not, that ye be not judged.

7:2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

Only thing is, God has already judged these actions, and all a minister can do is bring to your attention what God has already said. The apostle Paul gave us the answer to calling out and reminding what God has already said in 2nd Timothy chapter 3:

3:16 "All Scripture *is* given by inspiration of God, and *is* profitable for doctrine, for reproof, for correction, for instruction in righteousness,

3:17 that the man of God may be complete, thoroughly equipped for every good work."

As a minister and a watchman on the wall, I have a duty to God to challenge and reprove anything and anyone that has already been judged by God. If I fail to do so, then their blood is on my hands. After that, it is up to God to administer justice for transgressing His Holy commandments. That's a warning to Mr. Obama.

But wait, Obama says "he's a Christian"...oh, that's right. Silly me, except I remember that one of the principles of the Quran that he Obama praises repeatedly, is to lie to the infidels until you have the right time to overpower and defeat them. It's in their "holy book". Let me make a bold statement here. Obama is either a Muslim sympathizer because of his upbringing in Indonesian Muslim schools that pounded the Quran verses into his impressionable, little head, or he is a closet Muslim himself, as he exhibits no trace of Christian beliefs in his actions. That would make him but one thing, a liar and a danger to every American alive on these shores. Truth be known, he is the most Anti-God president that as ever held the title.

Signs that I spoke of in my last message that warns of possible economic collapse are coupled with a moral decay in this country and evil and lewd behavior that begs for God to pass judgment by smashing our economic way of life, and letting another power from within or without overtake the population of the U.S.A. I envision riots in the streets, and those detention centers and plastic burial caskets we've heard about, finding a quick, and ghastly implementation by a police state that voids all your God given rights. Those millions of ammunition rounds weren't bought for military exercises for nothing. They will be used to gun down any and all who would go against the establishment.

### **ARE WE SAFER NOW UNDER OBAMA?**

Time and time again, when news of what our "president" has done in the name of national security, it gets me to shaking my head at the radio or the television and wondering, "whose side are you fighting on, anyway, Obama?" It seems everything the man does is to weaken our country, or to allow terrorist safe haven while failing to secure our borders. Reports are coming in that there are terror cells of ISIS operatives in all 50 states, except Alaska. What is Obama doing about it? Oh, right...He's looking for diplomatic solutions...yeah, right!! Now he's given safe haven to 75,000 Syrian refugees who happen to be Muslim and scattering them around the country; and how about the flood of illegal immigrants, many with diseases to infect our children even in our schools? Shootings and murders with assailants screaming "Allahu Akbar", but hey, it's only work place violence?? The list of atrocities within our borders keeps mounting up...not to mention what's happening overseas, and will be coming to a neighborhood near you in the future. Can you stake your life on that it won't be?

Is our president taking the fight to murdering Islamic radicals in the Middle East? Our military generals report that what we are doing is making no difference in the spread of this evil terrorist group with one thing in mind, domination of the world under Sharia Law. It's even reported that bombing are actually helping ISIS, not destroying them. We either fight them on their home turf, or we will fight them on ours. But maybe that's the plan all along. A Muslim in the White House, promoting Islamic takeover of the United States? Could it be?

Face it folks, we are in a fight against a religion that is in direct conflict to our way of life. Islam and Christianity do not mix. You won't find a Christian that beheads somebody who won't believe the way they do, but under the threat of death of any victim, a Muslim will crucify, or cut their head off for not converting to Islam. In WW2, and I'm not saying it was right, but we quarantined Japanese Americans that we thought might have allegiance to Japan. Are we worried about the Muslims that have poured into this country that they have dual allegiance to another country, or are here for one reason, and one reason only, to scout out the landscape for conquest? I'm betting on all of it as truth. Will we continue to allow 2100 mosques to stand that are nothing but hotbeds of Muslim radicals with a powerful organization called C.A.I.R. (Council on American-Islamic Relations) supplying money and political pressure to increase their numbers on our land? Legislation should be enacted to remove every Muslim in this country with a one way ticket back to Mecca. It would be the only way to prevent the takeover of this country. But hey, I'm dreaming, I know.

Call me an Islamophobe, go ahead. I resemble that remark, but there is no such thing as a moderate Muslim, only a Muslim who has not been radicalized by reading his "holy book" and believing what it says and taking action for "Allah". Each and every Muslim is on the other side of the fence when it comes to the true God of the bible, unless they repent and proclaim Jesus as Lord. They worship a false god, and a "great deceiver" as Allah is called.

Satan is also called the same. I believe they are one and the same spirit of evil. We are silently being invaded from within; and that brings me back to Mr. Obama.

Obama has surrounded himself with Muslim advisors, department heads of the CIA, Homeland Security, and czars that answers to no one. You can tell what the man believes by the company he associates with, or the people in his administration. I would be amazed, if for once this president actually spoke the truth, instead of twisting it for his own political power and expediency. The man has told so many lies, I am not sure if he knows what is true or not. Jeremiah chapter 9,

4 “Take ye heed every one of his neighbour, and trust ye not in any brother: for every brother will utterly supplant, and every neighbour will walk with slanders.

5 And they will deceive every one his neighbour, and will not speak the truth: they have taught their tongue to speak lies, and weary themselves to commit iniquity.

6 Thine habitation is in the midst of deceit; through deceit they refuse to know me, saith the Lord.

7 Therefore thus saith the Lord of hosts, Behold, I will melt them, and try them....”

This could have been written for our days, instead of the days of Jeremiah, but it speaks of what our world has become, even to its leaders in all branches of our Federal and State governments.

### **THE USA WILL BE JUDGED**

You who claim to be a follower of Jesus Christ, do you turn a blind eye to what is happening all around you? Did you make your request known that you oppose the direction of our country and this leader who trampled on the clear commands of our Lord Jesus Christ, and the Constitution of this land? Our laws were modeled after the precepts found in your bible, no matter what an atheist may wish to object to. I believe that we are being judged, as a nation right now, and Obama is the instrument of that judgment, just as Babylon was the instrument to bring judgment to Israel for her sins of idolatry and murder.

Galatians 6:7 “Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

6:8 For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.”

Only thing that gives me peace is to know that God is in charge, and these events are being orchestrated by him, or allowed to happen in the Divine drama that is being played out for the souls of men. I KNOW this is nothing but doom and gloom in the predictions of what is coming upon our land, but it must be said.

I have been pounding the pulpit with a warning to anyone who professes Jesus Christ, and warning those who do not. Tribulation is coming and we may see some nasty things transpire between now and the time when Jesus calls out with a loud trumpet call “Come up, hither”. Note my friend, that the latest news is not better, it’s worse. The world is not safe, it’s even more dangerous by the day. Men are not turning to righteousness, but to lawlessness and the evil intent of their hearts. I see the world in a spiral down a sink drain and circling the opening. Until that day approaches when Jesus will remove His church from this planet, I counsel all who hold to the precepts of the Bible to take hold of the promises found in your Bible, and stay in prayer, meditating and believing every minute of the time we have left.

Open the Bible to Psalm 91 and read and believe. Leave the Bible open in your home to remind you of those promises. Find another Bible and read Romans chapter 8 and let those promises sink in. Those promises are irrefutable and God will honor all who honor Him and believe in the only payment for our sins, Jesus Christ, the Lord. Therein lies our Hope, which is our only Hope in these last days of man’s attempt to rule himself. It is Jesus. He is our Blessed Hope. Titus:

2:11 “For the grace of God that brings salvation has appeared to all men,

2:12 teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly in the present age,

2:13 looking for the blessed hope and glorious appearing of our great God and Savior Jesus Christ,

2:14 who gave Himself for us, that He might redeem us from every lawless deed and purify for Himself *His* own special people, zealous for good works.”

As I typed that last verse of your bible into this message, the song found in our hymnal came into my head:

“My hope is built on nothing less, than Jesus blood and righteousness. I dare not trust the sweetest frame, but wholly lean on Jesus Name.

On Christ the solid Rock I stand, all other ground is sinking sand, all other ground is sinking sand.”

Yes, my reader, the American dream has faded and she is sinking into the sands of destroyed nations that may have followed God originally, but departed and would not, could not, will not repent of their evil deeds.

### **A PLEA BEFORE IT IS TOO LATE**

My question to you: Are you scared? Are you filled with hopelessness and fear of what is coming? The world around you knows that something awful is coming, no matter that this present administration tries to paint a rosey picture of our future. Obama will lie, as the Congressman by the name Joe Miller, yelled out at one of the State of the Union messages. If you're honest with yourself, and pull your head out of the sand and look around, you will know that he lies, the government lies, the media lies, and we have been sold down the river. What will you cling to when physical and spiritual destruction takes hold of this nation? Will you roll up in a fetal ball and wait your demise with no hope, no one to call out to, and no one to care? Or will you hold onto the God of the Universe who controls every action, or reaction that this world can deliver? How do you tap into this endless supply of power, coupled with grace, mercy and love? You must come to the Father in Heaven. But how you ask?

“I am the Way, the Truth and the Life. No man cometh to the Father, but by Me”. John 14:6

Who does the Gospel of John speak of? Who is the Way, the Truth and the Life? Answer: Jesus Christ, the Son of the Living God. He is the only way that you will find power, faith, and hope in these dark times that gather thick, foreboding clouds of impending doom that you feel, that I feel, and that all men/women of clear thinking feel. When will it start? It may have already started, as evil men are engineering the destruction of this country. The only thing that holds back the total collapse and the total destruction of the American population, is the scattered remnant of true believers in Jesus Christ. My friend, when we, they, us are gone in the coming return of Jesus Christ for His church, then fall on your knees, as American will be overcome from within and from without of what she has stood for in the last 200 years plus. She will arise as something very different than what she was, and you won't want to be alive to endure what is coming. When Satan is finally unleashed on this earth with the full impact of his demonic power and sorcery, then death will seem like a welcome relief, only to find a greater horror on the other side, if you enter eternity without the Way, the Truth and the Life, Jesus Christ. It's only two choices, heaven or hell...grace or destruction...life or death forever. Make a wise choice to be with Jesus forever in a Glorious future to live in peace, joy and love for all eternity. Or maybe join Obama when he is cast out of the presence of Almighty God, because you chose to follow men, instead of God. John chapter 3:

3:16 “For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

3:17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

3:18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.”

But there are verses right after that that gives you a choice...the choice is yours:

3:19 “And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

3:20 For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved.”

That Light is Jesus Christ. What will your choice be? Will you choose the Light or the darkness? Will you choose heaven or hell? Will you choose righteousness, or your own sinful ways? You see, we all have a choice. Make that choice count for all eternity to forever be blessed within joy, love, and peace. The other choice is...well, pure hell.
