

# Blessings for Our Nation

By Calvin Scott, Faith Ministries

As we celebrate Independence Day, let's remember that we are called to be a blessing to our nation. Please join with us as we decree blessings over the nation we love.

I Peter 3:9-10 NKJV . . . *not returning evil for evil or reviling for reviling, but on the contrary, blessings, knowing that you were called to this, that you may inherit a blessing.*

- We bless our nation with a mighty wind of God's Spirit blowing across our land—a great awakening.
- We bless the people of our land with a hunger and thirst for the living God.
- We bless our nation with a mighty army of God's sons and daughters marching through the land doing mighty exploits in the name of Jesus.
- We bless our churches with pastors and leaders who follow God's heart.
- We bless our churches with stable people, ready and obedient to finance and participate in the work of the ministry.
- We bless our nation with righteous leaders who love God and honor His Word. We forgive them for their mistakes and we bless them with redemption, wisdom and peace.
- We bless our political process with people of honesty and integrity.
- We bless our President and his advisors with accurate information leading to decisions that will have Biblical confirmation.
- We bless our military services with life saving strategies and wisdom in stopping the advancement of tyranny.
- We bless our nation with prosperity, so we can continue to send missionaries to every nation of the world, and so we can feed the hungry, and send relief to other nations in times of calamity.
- We bless our nation with protection from the schemes of evil men.
- We bless our nation with protection against false religions.
- We bless our marriages with commitment, unity and peace.
- We bless our babies in the womb with life and in their cradles with health.
- We bless our children with a future and a hope.
- We bless our teens with guidance and courage to make wise choices.
- We bless our farmers and their farms to produce an abundance of good, nourishing food.
- We bless our rivers, lakes and water sources with freedom from contaminants.
- We bless our scientists with understanding and wisdom to develop earth's resources to benefit our world.
- We bless our factories and business' to be efficient and honest.
- We bless the wealth of our natural resources, and we bless our people with the understanding to use them wisely.

Numbers 23:8; 19-20 NKJV *How shall I curse whom God has not cursed? . . . God is not a man that He should lie, nor a son of man, that He should repent. Has He said and will He not do? Or has He spoken, and will He not make it good? Behold, I have received a command to bless; He has blessed and I cannot reverse it.*

**God Bless the United States of America.**

**. . . As for me and my house (nation), we will serve the Lord.**

**Joshua 24:15 NKJV**
