

## *A PLEA TO THE CHURCH !*

*Who will stand in the gap?*

Millions are on their way to an everlasting devil's hell right now - a place of confinement, a prison for the wicked. A place of torment. (Luke 16:20 – Lazarus and the rich man).

The Word of God teaches hell is the jail where the wicked are locked up when under indictment until the court sits and sentence is passed on them; then at the Great White Throne Judgement they go into what is called in Revelation the Lake of Fire, the Gehenna of the New Testament.

This Lake of Fire is the Federal Prison of Eternity; Hell is the County Jail. No one has yet been put into the Lake of Fire.

All the wicked angels and men are locked up today in Hell, waiting for the resurrection of the wicked and the Judgment, after which they go to the Federal Prison.

When the sinner dies, he, in his spiritual form, goes to Hell to remain there until the 2nd resurrection when his old body will be raised full of sin, disease, and corruption.

He will enter this evil body again and stand before the Great White Throne of God where Jesus Christ will be the Judge. Then sentence will be passed according to the Court's findings, and the unsaved cast into the Federal prison of eternity.

Man is an eternal being, like God. If he dies a criminal, he spends eternity as a criminal, for criminals must be segregated from the righteous. God, in His justice, cannot allow contamination into His kingdom.

As man has jails and prisons to incarcerate the criminal, so God also incarcerates those who do not follow after His laws. Their eternity is forever, not just for a term.

Prison takes every freedom and every right away. You cannot go where you want; you have lost power of volition and action. Guards with guns walk by your cell and mock you, and self respect is non-existent. This is man's prison and is usually temporary. But what of eternity?

Any man will tell you he could never endure the fumes of sulphur, and the creeping, biting, burning worms of hell described in the scriptures.

To be shut in with the incorrigibly wicked through eternity-- with blasphemers and murderers; with the whore-mongers, liars, thieves and dissolute women of all ages; never to see a pure face again; never to hear a babe's rattle, a hymn of praise or the folklore songs of love; never to hear anything but bitter, biting, hideous blasphemy; the gnawing of the tongue and the gnashing of teeth, the biting agony of long confinement is all that is necessary to make it hell.

Then add the sulphur and worms. This is County jail. Federal Prison comes at the Great White

Throne Judgment of God...and is forever.

Every person who will not recognize Jesus as Lord, nor confess Him with their mouth, nor believe God raised Him from the dead will meet with this judgment. If a man is not born from above, he cannot become a part of the family of God.

No clout, prestige, nor good status with the world; no gentleness, kindness, riches, or any such thing will earn a man the right to be a part of God's kingdom. He must be born anew through the precious blood of the Lord Jesus Christ.

A person goes to hell because of what he is, not what he does. *It's purely intellectual.* He can evade Hell if he wants! He goes to hell with eyes wide open, and because he prefers hell over his other option, heaven.

He goes to hell because he has spent a lifetime serving Satan, and because he prefers Satan as his god above the true God, the Savior Jesus Christ.

Sin is more attractive to him; and Hell more desirable than Heaven.

Saint of The Lord Jesus Christ, will you stand in the gap for those who will come?
