

The Pope's Coming & Islam's Conquest

“For these be the days of vengeance,
that all things which are written may be fulfilled.” (Luke 21:22)

Prophetic events are afoot; those things written are in the process of being fulfilled. The Pope's trip to the US is significant in end times events. First he'll be meeting with the usurper Barry Soetoro, AKA Barack Hussein Obama. Ominously, he and Barry appear to be kindred spirits on several issues. The Pope is also meeting with protestant evangelical leaders and at least one prominent Imam (Muslim religious leader).

Barry's even invited an abortion-supporting nun, a transvestite, and a homosexual bishop to commune with “his eminence”.

Then, for the first time in history, on September 24th, the Pope will address a joint session of the US congress. The following day Pope Francis will speak to the UN General assembly.

At this pronounced time of instability, tension and bloodshed, what will his words herald?

“For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you before.” (Matthew 24:24-25)

The UN has recently voted to fly the Palestinian flag outside its headquarters in New York City. The Vatican, in May of this year, agreed to a treaty to recognize the state of Palestine in a direct attack on Israel's sovereignty. Will there be a papal call to recognize Palestine as an independent nation at the UN? Such an action would not only be an assault on Israel, but on God's covenant with Israel as well.

Such brazen foolishness will have divine consequences.

The Pope has pronounced that the reason for refugees fleeing the Middle East is because of the greed of capitalism, not the unending massacres and barbaric atrocities daily perpetuated by Muslim Jihadists. The Pope's Marxist philosophies and Muslim-coddling very much align with Barry's worldview, as I stated earlier. Even down to the supposed dangers of man-caused “climate change”.

If indeed the problem in the Middle East is lack of financial opportunity, there is a solution. The Vatican has a treasure trove of priceless artifacts looted from all over the world during the Roman conquests. The value of this stored hoard is inestimable. Why then isn't the Pope selling these treasures off and giving the proceeds to the poor?

It's not unplanned circumstances or capitalist theory that has people on the move. These exoduses are by design. As Bobby Jindal, Governor of Louisiana and GOP presidential hopeful has stated, “immigration without assimilation is invasion.” He's absolutely right and that's the plan.

Europe is being overrun by Muslim settlers, wave after wave. You've seen the Muslim rioting and attacks on citizens. This is cultural jihad in action, to invade and destroy a culture by sheer numbers.

The goal of Islam is worldwide domination. The bloody history of Muslim expansion bears this singular, focused truth.

Muslims largely don't assimilate to other cultures. Certainly the Jihadists, which are faithful Muslims, do not. They come to annihilate. All other religions and political philosophies must be destroyed. This is non negotiable and you can lose your head by trying, literally.

The current onslaught of "refuges" that Europe is experiencing is 75% male, predominately men of military age.

Add these to those already immigrated there and the outlook is grim. Rapes and violent crimes have skyrocketed in places like Sweden, Norway and the United Kingdom; countries that have willingly allowed these barbarians in.

It's being called a rape epidemic. This is Islam.

There are numerous documented cases of Christians being amongst the boatloads of Muslims headed across the Mediterranean to Europe. Once discovered, they are beaten and thrown overboard to die in the open sea. How'd you like these to be your new neighbors?

The chances are increasing that they will be. Both Europe and the US are increasing the numbers of Muslims that they're importing. Those responsible know exactly what they're doing, even if their respective dumbed-down citizenries doesn't. At the center of this is the lawless US president.

It was his operatives that fomented the "Arab Spring", overthrowing secular dictatorships and replacing them with violent Jihadi dictatorships. So too it was Barry that illegally ordered US troops to leave equipment behind in Iraq so that the terrorists he was training via the CIA, later to become known as ISIS/ISIL, would have armaments to begin their "holy war" against all who oppose them; Christians, Kurds, Yazidis, even other Muslims.

I'm not running for President so I can be completely honest with you.

The Middle East and northern Africa are being purged of Christians. There is no US or anyone else that wants to stop their murderers. ISIS/ISIL is still being armed, supplied, trained and supported covertly by the US. So are numerous other terrorist organizations. The horrific deal with Iran is just an extension of this US policy of fully aiding and supporting Muslim conquest.

That's exactly what we're witnessing, Muslim conquest.

The plotted after effect of what was started in 2011 (the Arab Spring) is what we're experiencing now: This expanding war was intended to drive a mass Muslim migration of "refugees" to finish off what has been known as Western Civilization.

The remains of Christian civilization.

It's fascinating to ponder the current fate of the seven great empires that ruled over the Holy Land throughout history, those same seven mentioned by number in Revelation.

“And there are seven kings (kingdoms or empires): five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.” (Revelation 17:10)

The five that had fallen by John’s day were the Egyptian Empire (currently Muslim). The Assyrian Empire (Modern day Syria, currently Muslim), The Babylonian Empire (modern day Iraq, currently Muslim), the Medo-Persian Empire (modern day Iran, currently Muslim), and the Grecian Empire (modern day Greece, currently enduring massive Muslim conquest by immigration).

“And one is” represents the Roman Empire (modern day Italy, also currently enduring massive Muslim conquest by immigration).

And the last empire, the seventh, at John’s time “not yet come”, was the Ottoman Turk Muslim Empire (it’s capitol settling in modern day Turkey, currently Muslim).

“And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.” (Revelation 17:11)

This final beast is the eighth and of the first seven, all of which today are completely Islamic or under Islamic assault. Interesting, isn’t it? But not coincidence.

The Pope fully supports the spread of Islam through “immigration” into Europe and the US. Saudi Arabia, Kuwait and other wealthy Arab countries aren’t taking in a single invader, I mean, refugee. I wonder why that is.

Barry, the Pope, and many powerful others want a one-world religious system under a one-world government. It’s likely that Pope Francis will infer or even openly call for emergency actions to be taken by the UN and/or certain nations like the US, along these lines, to save us from climate change, greed or “fundamentalist religious oppression”. This of course entails blaming Christianity for intolerance while giving Islam a free pass to continue butchering infidels and one another.

Whatever crisis, collapse or catastrophe that comes next is part of the larger plan. Those that claim they’ll save you are the very ones responsible for your peril. The misery that they cause will be better than the “solution” they impose.

Seek the Lord in prayer on this.

“And Jesus answered and said unto them, Take heed that no man deceive you.” (Matthew 24:4)

The end times principals are on the world stage in some capacity. They have not as yet been revealed for who they will be. That day approaches. In the meantime, the plans of the wicked one move forward, the logistics being put in place.

All to be crushed by the return of Jesus as King of kings and Lord of lords.

Observe closely now, as prophecy comes off the pages of scripture to breathe fire in our world.
